

CONTENTS

- I. Introduction
- II. Mechanism of Plasticization and Property Benefits
- III. Processing Advantages of Plasticizers
- IV. Plasticizer Types and Usages
 - A.) Petroleum Oils
 - 1.) Definition and Type
 - 2.) Extension versus Processibility
 - 3.) Sources and Methods of Refining
 - 4.) Properties
 - 5.) Elastomer Compatibility
 - B.) Synthetic Plasticizers
 - 1.) Monomer Esters
 - 2.) Polymers
 - 3.) Specialty
- V. Applications
