

Contents and Subject Index

| | |
|---|----|
| 1. INTRODUCTION | 1 |
| 2. CONCLUSIONS | 6 |
| 3. RECOMMENDATIONS | 11 |
| 4. LITERATURE REVIEW | 13 |
| THM Control Strategies | 13 |
| Alternative Oxidants and Disinfectants | 14 |
| General Chemistry of Alternative Oxidants and Disinfectants. | 15 |
| Oxidation Potentials | 15 |
| Disinfection | 19 |
| Reaction with Organic Contaminants | 21 |
| Taste and Odor | 24 |
| Generation, Monitoring and Economic Implications. | 25 |
| 5. EXPERIMENTAL AND ANALYTICAL METHODS | 28 |
| Sample Collection and Handling. | 28 |
| Analytical Methods | 29 |
| Ultraviolet Absorbance (UV ₂₅₄). | 29 |
| Total Organic Carbon (TOC) | 29 |
| Residual Chlorine. | 30 |
| Trihalomethanes (THM's) | 30 |
| Total Organic Halides (TOX) | 30 |
| On-Site Residual Oxidant (ClO ₂ , ClO ₂ ⁻ and Cl ₂) Analysis | 31 |
| Quality Assurance/Quality Control | 31 |
| Sample Collection and Handling | 31 |
| Analytical Procedures. | 32 |
| THM's. | 32 |
| TOX | 32 |
| TOC | 33 |
| Data Management | 33 |
| Internal Quality Control Program - Blind Samples | 34 |
| EPA Quality Control Samples | 34 |
| 6. CHESTER METROPOLITAN WATER DISTRICT, CHESTER, SC. | 37 |
| Description of Facilities | 37 |

| | |
|--|-----|
| Results of Field Sampling Visits | 40 |
| THM ¹ s and TOX | 40 |
| ClO ₂ and ClO ₂ ⁻ | 43 |
| Impact of Modifications on Finished Water Quality, Treatment Plant Performance, and Costs | 52 |
| Finished Water Quality and Treatment Plant Performance | 52 |
| Costs | 60 |
| Summary | 61 |
| 7. BLOOMINGTON WATER DEPARTMENT, BLOOMINGTON, IN | 63 |
| Description of Facilities | 63 |
| Results of Field Sampling Visits | 66 |
| THM ¹ s and TOX | 66 |
| Impact of Modifications on Finished Water Quality, Treatment Plant Performance, and Costs | 71 |
| Finished Water Quality and Treatment Plant Performance | 71 |
| Costs | 79 |
| Summary | 85 |
| 8. LANCASTER COUNTY WATER AND SEWER AUTHORITY, LANCASTER, SC | 86 |
| Description of Facilities | 86 |
| Results of Field Sampling Visits | 89 |
| THM ¹ s and TOX | 89 |
| ClO ₂ and ClO ₂ ⁻ | 101 |
| Impact of Modifications on Finished Water Quality, Treatment Plant Performance, and Costs | 104 |
| Finished Water Quality and Treatment Plant Performance | 104 |
| Costs | 106 |
| Summary | 104 |
| 9. MONROE WATER DEPARTMENT, MONROE, NC | 108 |
| Description of Facilities | 108 |
| Results of Field Sampling Visits | 111 |
| THM ¹ s and TOX | 111 |
| Impact of Modifications on Finished Water Quality, Treatment Plant Performance, and Costs | 120 |
| Finished Water Quality and Treatment Plant Performance | 120 |
| Costs | 123 |
| Summary | 123 |
| 10. PALM BEACH COUNTY WATER UTILITIES DEPARTMENT, WEST PALM BEACH, FL | 127 |
| Description of Facilities | 127 |
| Results of Field Sampling Visits | 131 |
| THM ¹ s and TOX | 131 |
| Impact of Modifications on Finished Water Quality, Treatment Plant Performance, and Costs | 139 |
| Finished Water Quality and Treatment Plant Performance | 139 |
| Costs | 144 |
| Summary | 144 |
| 11. WILMINGTON PUBLIC WORKS DEPARTMENT, WILMINGTON, NC | 148 |
| Description of Facilities | 148 |
| Results of Field Sampling Visits | 152 |
| THM ¹ s and TOX | 152 |

| | |
|--|-----|
| Impact of Modifications on Finished Water Quality, Treatment Plant Performance, and Costs | 157 |
| Finished Water Quality and Treatment Plant Performance | 157 |
| Costs | 166 |
| Summary | 166 |
| | |
| 12. CITY OF BELLE GLADE, BELLE GLADE, FL | 172 |
| Description of Facilities | 172 |
| Results of Field Sampling Visits | 176 |
| THM's and TOX | 176 |
| Impact of Modifications on Finished Water Quality, Treatment Plant Performance, and Costs | 186 |
| Finished Water Quality and Treatment Plant Performance | 186 |
| Costs | 194 |
| Summary | 197 |
| | |
| 13. CHESAPEAKE DEPARTMENT OF PUBLIC UTILITIES, CHESAPEAKE, VA. | 200 |
| Description of Facilities | 200 |
| Results of Field Sampling Visits. | 204 |
| THM's and TOX, ClO ₂ and ClO ₂ ⁻ | 204 |
| Impact of Modifications on Finished Water Quality, Treatment Plant Performance, and Costs | 219 |
| Finished Water Quality and Treatment Plant Performance | 219 |
| Costs | 219 |
| Summary | 220 |
| | |
| 14. CORRELATIONS BETWEEN TRIHALOMETHANE AND TOTAL ORGANIC HALIDE FORMATION | 222 |
| Introduction. | 222 |
| Results and Discussion | 226 |
| Conclusions | 249 |
| | |
| REFERENCES | 251 |
| | |
| APPENDIX A: COMPILATION OF ALL MEASUREMENTS MADE BY PROJECT TEAM | 262 |
