

CONTENTS

SECTION I

BASICS

1. Introduction to the Hazardous Waste Management System	3
2. Regulatory Definitions of Solid and Hazardous Waste	15
3. Conduction a Waste Inventory: Procedures and Considerations	37
4. Hazardous Waste Determinations: Procedures and Considerations	43
5. Determining the firm's Regulatory Category	

SECTION II

REGULATORY STANDARDS AND RESPONSIBILITIES

6. Nonhazardous Industrial Solid Wastes	65
7. Conditionally Exempt Small Quantity Generators	69
8. 100-1000 Kilogram/Month Small Quantity Generators	73
9. Generators Who Accumulate Hazardous Wastes Onsite Less Than 90 Days	77
10. Generators Who Ship Hazardous Wastes Offsite	119
11. Generators Who Store Hazardous Wastes Under Interim Status	149
12. Generators Who Treat Hazardous Wastes by an Exempted Method	167
13. Generators Who Market or Burn Used Oil Fuels	171
14. Owners/Operators of Underground Product Storage Tanks	175

SECTION III

DEVELOPING THE CORPORATE

ENVIRONMENTAL MANAGEMENT PROGRAM

15. Key Factors Regarding the Management of Chemical Risks	185
16. Environmental Audits as a Management Tool	201
17. Environmental Auditing Techniques, R. W. Reynolds	205
18. Developing and Implementing the Environmental Management Program	221
19. Chemical Hazard Communication, S. R. Ball	237
20. Community Right-to-Know, C. W. White	251
21. Documentation	261

SECTION IV

SELECTED CONSIDERATIONS IN IMPLEMENTING THE ENVIRONMENTAL MANAGEMENT PROGRAM

22. Selecting on Offsite Treatment of Disposal Facility	267
23. Principles of Container Handling and Storage	281
24. Considerations in Waste Sampling and Analysis, C. W. White	297
25. Dealing with Regulatory Personnel, J. Ckornpropst	309
26. Legal Responsibilities and Liabilities, J. M. Kyle III	313
27. The Consultant's Role in Hazardous Waste Management, F. C. Cook, Jr	325

APPENDICES

Appendix A EPA Form 8700-12: Notification of Hazardous Waste Activity	335
Appendix B State Hazardous Waste Management Agencies	339
Appendix C EPA Regional Waste Management Offices	347
Appendix D Commonly Used RCRA/CERCLA Acronyms	349
Appendix E Definitions of Selected Regulatory Terms	353
Appendix F EPA Form 7530-1: Notification for Underground Storage Tanks	359

Appendix G Examples of Potentially Incompatible Wastes	363
Appendix H Industrial Waste Exchanges in North America	367
Appendix I Summaries of DOT Hazard Class Definitions	369
Appendix J Useful Telephone Numbers	373
Bibliography	377
Index	385
