Introduction	1
Technical Note	3
Part One <u>TRENDS IN THE CONSUMPTION OF FROZEN FOODS IN SELECTED WESTERN EUROPEAN COUNTRIES</u>	7/8
Introduction	9
I. Main factors influencing consumption	10
A. Percentage of households owning refrigerators or freezers	10
B. Percentage of food retailers with frozen food cabinets	12
C. Storage and transport	12
1. Storage	12
2. Transport	14
II. Major manufacturers	15
III. Population and consumption of frozen foods	17
IV. Per capita consumption	19
V. Consumption of frozen foods by product groups	21
A. United Kingdom	21
B. Federal Republic of Germany	21
C. France	24
D. Sweden	25
E. Italy	25
F. Denmark	26
G. Switzerland	26
VI. Consumption of frozen foods by the retail and catering sectors	27
VII. Consumption forecasts	29
Part Two <u>THE MARKET FOR FROZEN CRUSTACEANS IN THE UNITED KINGDOM, FRANCE AND ITALY</u>	33/34
Introduction, summary and conclusions	35
I. The United Kingdom market	37
A. Supply structure	37
1. Production	37
2. Imports	38
3. Exports	42
4. Apparent consumption	43
B. Institutional factors affecting imports	43
1. Quantitative restrictions and customs duties	43
2. Internal taxes and price controls	44
3. Sanitary regulations and quality requirements	44
4. Labelling regulations	45
C. Market characteristics	46
1. Consumer preferences	46
(a) Species	46
(b) Processing	47
(c) Packaging	48
2. Competition and promotion	49

	<u>Page</u>
D. Prices and mark-ups	50
1. Prices	50
2. Mark-ups	51
E. Distribution channels	51
1. General	52
2. Direct importers	52
(a) Importers and agents	52
(b) Processers and distributors	53
(c) Contracts and buying procedures	53
3. Wholesalers	54
4. Retailers	54
5. Caterers	55
F. Conclusions	55
Annexes	
I. United Kingdom: customs duties on crustaceans, 1973	56
II. United Kingdom: bacteriological standards for importer frozen prawns	58
III. United Kingdom: labelling regulations	59
IV. United Kingdom: quality requirements for imported frozen prawns	62
V. United Kingdom: principal processers and importers of frozen crustaceans	65
II. The French market	67
A. Supply structure	67
1. Production	67
2. Imports	68
3. Analysis of imports	69
(a) Prawns	70
(b) Crawfish	71
4. Exports	72
5. Apparent consumption	72
B. Institutional factors affecting imports	73
1. Quantitative restrictions and customs duties	73
2. Internal taxes	73
(a) Value-added tax	73
(b) Other taxes	73
3. Sanitary regulations and quality requirements	74
4. Labelling	74
C. Market characteristics	75
1. Consumer preferences	75
(a) Species and sizes	75
(b) Presentation of the product	75
(c) Packaging	76
2. Advertising and competition	77
D. Prices and mark-ups	77
E. Distribution channels	78
1. Direct importers	79
(a) Processers	79
(b) Importers/agents	79

	<u>Page</u>
2. Wholesalers	79
3. Retailers	79
4. "Home services"	80
F. Conclusions	80
Annexes I. France: regulations on quick-frozen foods	81
II. France: principal processors and importers of frozen crustaceans	85
III. The Italian market	87
A. Supply structure	87
1. Production	87
2. Imports	87
3. Exports and apparent consumption	89
B. Institutional factors affecting imports	89
1. Customs duties	89
2. Internal taxes	89
3. Sanitary regulations and quality requirements	89
4. Labelling	90
C. Market characteristics	91
1. Species	91
2. Presentation of the product	91
3. Competition	92
4. Prices and mark-ups	93
D. Distribution channels	93
1. Direct importers	94
(a) Processers	94
(b) Importers	94
2. Wholesalers	94
3. Retailers	95
E. Conclusions	95
Annexes I. Example of a sanitary certificate required by the Italian authorities	96
II. Italy: principal processors and importers of frozen crustaceans	96
Appendices	
I. Selected importers of frozen crustaceans and other frozen foods in the Federal Republic of Germany, Sweden and Switzerland	101
II. International frozen food associations	102
III. EEC common external tariff	103
IV. Main species of crustaceans on the market	104
V. Statistical data on frozen food consumption in Sweden	110
VI. Bibliography	112
