

CONTENTS

Chapter I. Introduction	1
Chapter II. Regular and Diffuse Reflection	5
Chapter III. Single and Multiple Scattering	72
Chapter IV. Phenomenological Theories of Absorption and Scattering of Tightly Packed Particles	104
Chapter V. Experimental Testing of the “Kubelka-Munk” Theory	170
Chapter VI. Experimental Techniques	217
Chapter VII. Applications	253
Chapter VIII. Reflectance Spectra Obtained by Attenuated Total Reflection	309
