

CONTENTS

I.	Introduction	1
II.	Structure of Matter and Chemical Bonding	18
III.	Some Physico-Chemical Principles	56
IV.	Equilibria in Solutions	80
V.	Precipitation Equilibria	107
VI.	Preliminary Examination of a Sample	125
VII.	Identification of Anions	144
VIII.	Identification of Cations	168
IX.	Identification of Less Familiar Cations	213
	Index	249
