

CONTENTS

PART I. TITRATING AGENTS, INDICATORS, AND INSTRUMENTAL METHODS OF DETERMINING END-POINTS

1. Titration with Complexing Agents	3
2. Basic Theory of Complexometric Titrations	14
3. Colour and Fluorescence Indicators in Complexometry	31
4. Colour Changes in Metallochromic Indicators	77
5. Instrumental Indication of the End-Point	90
6. Different Types of Titrations and the Accuracy Attainable	113
7. Selectivity	129

PART II. TITRATION PROCEDURES AND WORKING INSTRUCTIONS **146**
