

CONTENTS

Section 1. STARTING MATERIALS FOR THE PREPARATION OF HIGH MOLECULAR WEIGHT ORGANOPHOSPHORUS COMPOUNDS	
Chapter I. Unsaturated Organophosphorus Compounds	11
Chapter II. Saturated Organophosphorus Compounds. Di-Hydroxy-Compounds	93
Chapter III. Refractivities of Certain Atomic Groups in Organophosphorus Compounds	141
Section 2. HIGH MOLECULAR WEIGHT ORGANOPHOSPHORUS COMPOUNDS	
Chapter IV. Carbon-Chain and Hetero-Chain High Molecular Weight Compounds Containing Phosphorus in the Side Chains	147
Chapter V. Heterochain High Molecular Weight Compounds Containing Phosphorus in the Main Chain	213
Chapter VI. Other Organophosphorus Polymers	254
Chapter VII. Uses of High Molecular Weight Phosphorus Containing Compounds	260
References	267
List of Tables	288
Subject Index	297
