

CONTENTS

1. Various Types of Polymer Degradation	1
2. Dynamic Thermogravimetric Analysis (TGA) and Differential Thermal Analysis (DTA)	81
3. Ancillary Methods to TGA and DTA	131
4. Kinetics and Mechanisms of the Thermal	164
5. Kinetics and Mechanism of Oxidative Degradation of Polymers	229
6. Factors Affecting Polymer Stability	294
Name Index	345
Subject Index	353
