PART 1: BASIC PRINCIPLES OF HIGH POLYMERS

1. Basic Terms And Definitions	3
2. Chemistry of High Polymers	14

PART 2: FORMATION OF PRODUCTS FROM MACROMOLECULES

3. The Building Blocks Of High Polymers	59
4. Macromolecules in Solution	73
5. The Solid State of High Polymers	97
6. Physical Properties of High Polymers	114
7. The Future of High Polymers	124
Bibliography	127
