

CONTENTS

Chapter 1. Classification and Mineral Composition of Bleaching Earths	1
Chapter 2. Geology of Bleaching Earths	4
Chapter 3. Structure And Adsorption Property of Clays	10
Chapter 4. Determination of Clay Minerals	19
Chapter 5. Activation of Bleaching Earths	32
Chapter 6. Mechanism of Bleaching and Bleaching of Vegetable and Mineral Oils	44
Chapter 7. Distribution of Bleaching Earths	56
References	77
INDEX	83
