PART 1

INDICATORS OF VIRUSES IN WATERS

1. The Indicator System	1
2. Survival of Indicator Organisms	15
3. Survival of Viruses	39
4. Bacterial Populations and Indicator Concepts in Feces, Sewage, Stormwater and Solid Wastes	51
5. Exceptions to the Coliform and the Fecal Coliform Tests	99
6. Fecal Streptococcal Indicators	147
8. Bacteriophage Indicators	201
9. Zoomicrobial Indicators	229
10. Chlorine-Resistant Indicators	243
11. Indicators of Viruses in Waters	267

PART 2

INDICATORS OF VIRUSES IN FOODS

12. Foods as Vehicles for the Transmission of Viral Diseases	299
13. Indicators of Viruses in Foods Preserved by Heat	329
14. Indicators of Viruses in Foods Preserved by Ionizing Radiation	355
15. Indicators of Viruses in Shellfish	383
Index	417
