

**CONTENTS**

Welcome to Symposium Participants	1
Introduction	3
Conserve or perish	7
Materials Recovery and Utilization	20
Nontechnical Issues	
Procurement and Contraction	31
Management, Marketing, Financial, and Legal Issues	40
Unit Operations for Nonferrous Metals Recovery	71
Materials	
Deterrents to the Recycling of Ferrous Scrap from Urban Refuse	91
Use of Aluminum Recovered from Municipal Solid Waste	106
Glass in Solid Waste Recovery Systems	114
Opportunities for Plastics in Resource Recovery	122
Problems and Potentials in Paper Recycling	132
Workshop Reports	
Introduction to Workshops	143
Report on the Ferrous Metals Workshop	146
Report on the Nonferrous Metals Workshop	153
Report on the Glass Workshop	159
Report on the Plastics Workshop	165
Report on the Paper Workshop	177
Closing Remarks	
Summary	187
Index	197
