

CONTENTS

Section I: THE NUTRIENT REQUIREMENTS OF THE ANIMAL BODY.	
1. The Maintenance Requirement of Energy: The Basal Metabolism	3
2. The Maintenance Requirement of Energy: The Activity Increment	91
3. The Maintenance Requirement of Protein	129
4. The Water Requirements for Maintenance	192
5. The Mineral Requirements of Maintenance	225
6. The Nutrient Requirements for Muscular Work	271
7. The Nutrient Requirements for Growth and Senescence	319
Part I. Growth	319
Part II. Senescence	411
8. The Storage of Nutrients in the Body, with Particular Reference to Fattening and Obesity	454
9. The Nutrient Requirements for Reproduction	526
10. The Nutrient Requirements for Lactation	571
11. The Nutrient Requirements for Egg Production	631
Author Index	663
