

**CONTENTS**

Definitions and References to Other Standards	8
Part I. Automatic Sprinklers and Water Supply	
Sprinkler Equipments	9
Care and Maintenance of Sprinkler Systems	98
Gravity and Pressure Tanks	110
Centrifugal Fire Pumps	195
Steam Fire Pumps	231
Supervision and Care of Valves	252
Control of Water Waste from Private Fire Protective Equipment	259
Water Charges	265
Automatic Sprinkler Ordinance	274
Part II. Extinguishers and Hose	
First Aid Fire Appliances	280
Standpipe and Hose Systems	326
Outside Protection	338
Valves, Indicator Posts and Hydrants	349
Hose Houses for Mill Yards	374
Care of Fire Hose	384
Standard Threads for Fire Hose Couplings	393
Use of Standard Small Hose Couplings	396
Cotton Rubber-Lined Fire Hose	398
Part III. Special Extinguishing Systems.	
Carbon Dioxide Fire Extinguishing Systems	402
Foam Extinguishing Systems	424
Water Spray Nozzles and Extinguishing Systems	441
Steam Extinguishing Systems	447
Part IV. Public Protection, Municipal and Rural.	
Municipal Fire Apparatus	449
Specificaions for Auxiliary Pumpers	483
Volunteer Fire Departments	487
Communtiy Forest Fire Fighting Equipment	519
Marking of Hydrants	533
Water Systems for Fire Protectionof Farms	534
Part V. Alarm and Supervisory Systems	
Alarms for Life Safety	540
Municipal Fire Alarm Systems	543

Central Station Protective Signaling Systems	566
Proprietary, Auxiliary and Local Protective Signaling Systems	588
Part VI. Employee Organization	
Private Fire Brigades	613
The Watchman	623
Other N.F.P.A. Publications on Employee Organization	628
Part VII. Miscellaneous.	
Fire Fighting Equipment in Metal Mines	629
Protection of Piers and Wharves	636
Marine Fire Protection	641
Protection of Nitrocellulose Motion Picture Film	644
Protection of Photographic and X-Ray Nitrocellulose Films	646
Protection of Pyroxylin Plastic	648
Protection of Electric Cars, Trolley Buses, Houses and Yards	651
Explosive Dusts	654
Flammable Liquids and Gases	654
Hazardous Chemicals	654
Committee Personnel	655
Index	663
