

CONTENTS

Titanium, Production, Processing, Handling and Storage of	481-1
Ammonium Nitrate, Storage of	490-1
Intrinsically Safe Apparatus for Use in Class I Hazardous Locations	493-1
Explosive Materials, Manufacture, Transportation, Storage and Use of	495-1
Purged and Pressurized Enclosures for Electrical Equipment in Hazardous Locations	496-1
Explosives, Motor Vehicle Terminals	498-1
Bulk Oxygen Systems at Consumer Sites, Installation of	50-1
Gaseous Hydrogen Systems at Consumer Sites	50A-1
Liquefied Hydrogen Systems at Consumer Sites	50B-1
Welding and Cutting, Design and Installation of Oxygen-Fuel Gas Systems for	51-1
Acetylene Cylinder Charging Plants	51A-1
Cutting and Welding Processes, Fire Prevention in the Use of	51B-1
National Fuel Gas Code	54-1
Inhalation Anesthetics, Use of	56A-1
Respiratory Therapy	56B-1
Laboratories in Health-Related Institutions	56C-1
Hyperbaric Facilities	56D-1
Hypobaric Facilities	56E-1
Nonflammable Medical Gas Systems	56F-1
Inhalation anesthetics in Ambulatory Care Facilities, Use of	56G-1
Fumigation	57-1
