

CONTENTS

SECTION I: BASIC TOXICOLOGY

| | |
|--------------------------------------|----|
| 1. Kinds of Toxic Effects | 3 |
| 2. Generating Safety Recommendations | 15 |
| 3. Toxicants and the Human Body | 29 |

SECTION II: HAZARDS IN THE WORKPLACE

| | |
|--------------------------|-----|
| 4. Inhalation Toxicology | 45 |
| 5. Solvents | 57 |
| 6. Metals | 73 |
| 7. Plastics | 91 |
| 8. Elastomers | 111 |
| 9. Adhesives | 119 |

SECTION III: REGULATION AND PROTECTION

| | |
|-------------------------------------|-----|
| 10. Government Regulation | 129 |
| 11. Monitoring the Plant Atmosphere | 139 |
| 12. Protecting the Worker | 157 |

| | |
|----------|-----|
| Glossary | 167 |
|----------|-----|

Appendices

| | |
|------------------------------------|-----|
| A. Principles of Adhesive Bonding | 175 |
| B. Simple Statistical Calculations | 177 |
| C. Selection of Detection Tubes | 179 |
| D. Unit Conversion Factors | 187 |
