

CONTENTS

Introduction

Documentation: Adopted Physical Agents TLVs®

Acoustic

- Infrasound and Low-Frequency Sound
- Noise – 2006 Adoption
- Ultrasound

Ergonomics

- Statement on Work-Related Musculoskeletal Disorders
- Lifting – 2005 Adoption
- Hand Activity Level
- Hand–Arm (Segmental) Vibration
- Whole-Body Vibration

Ionizing Radiation

Lasers

Nonionizing Radiation and Fields

- Figure: Regions of the Electromagnetic Radiation Spectrum
- Static Magnetic Fields
- Sub-Radiofrequency (30 kHz and below) Magnetic Fields – 2006 Adoption
- Sub-Radiofrequency (30 kHz and below) and Static Electric Fields – 2006 Adoption
- Radiofrequency and Microwave Radiation – 2006 Adoption
- Light and Near-Infrared Radiation
- Ultraviolet Radiation

Thermal Stress

- Cold Stress
- Heat Stress and Heat Strain
