

## TABLE OF CONTENTS

<u>Title</u>	<u>Page</u>
Preface .....	iii
The Light Microscope .....	iv
The Electron Microscope .....	vii
The Phase Microscope .....	viii
Student Supplies and Directions .....	x
Supplementary Work .....	xi
First Day - Introductory Consideration of Bodily Defenses and Invading Bacteria .....	1
Second Day - Culture Media .....	3
Third Day - Staining of Bacteria .....	6
Fourth Day - Physiological Activities of Bacteria .....	10
Fifth Day - Methods of Obtaining Pure Cultures .....	17
Sixth Day - Pigment Producing Bacteria .....	19
Seventh Day - Aerobic Spore-Forming Bacilli .....	23
Eighth Day - The Staphylococci .....	28
Case History .....	34
Ninth Day - The Streptococci .....	35
Case History .....	38
Tenth Day - The Pneumococci .....	39
Neufeld Reaction Chart .....	42
Case History .....	43
Eleventh Day - The Neisseria .....	44
Case History .....	46
Twelfth Day - The Effects of Chemical Agents Upon Bacteria .....	47
Thirteenth Day - Organisms of Sanitary Significance .....	51
Fourteenth Day - Bacteriology of Water .....	54
Fifteenth Day - Bacteriology of Milk .....	57
Sixteenth Day - The Typhoid and Dysentery Organisms .....	61
Fermentation Chart .....	68
Case History .....	69
Seventeenth Day - The Salmonellas .....	70
Eighteenth Day - Alcaligenes, Proteus and Paracolobactrum .....	74
Nineteenth Day - Unknowns .....	78
Twentieth Day - Vibrios and Klebsiella .....	79
Twenty-First Day - Tuberculosis .....	83
Case History .....	86
Twenty-Second Day - Corynebacterium Diphtheriae .....	87
Case History .....	90
Twenty-Third Day - Hemophilus, Brucella and Pasteurella .....	91
Case History .....	92
Twenty-Fourth Day - The Anaerobes .....	94
Case History .....	97
Twenty-Fifth Day - The Yeasts .....	98
Twenty-Sixth Day - The Molds .....	103
Twenty-Seventh Day - The Actinomycetes .....	106
Case History .....	109
Twenty-Eighth Day - Determination of Opsonic Index .....	110
Twenty-Ninth Day - The Preparation of a Vaccine .....	112
Thirtieth Day - Macroscopic and Microscopic Agglutination .....	114
Thirty-First Day - The Effects of Sulfonamides and Antibiotics .....	115
Thirty-Second Day - The Kolmer-Wassermann Test .....	119
Thirty-Third Day - The Kolmer-Wassermann Test (Cont'd) .....	122
Thirty-Fourth Day - The Mazzini and Kahn Tests .....	124

<u>Title</u>	<b>Page</b>
Thirty-Fifth Day - The Determination of Blood Groups and Rh Type .....	126
Thirty-Sixth Day - Bacteriophage .....	129
<b>Thirty-Seventh Day - Hypersensitivity</b> .....	<b>131</b>
Thirty-Eighth Day - The Precipitin Test .....	133
Thirty-Ninth Day - Unknowns .....	134
Fortieth Day - Practical .....	134
Classification Chart .....	135
<b>Mechanics of Classification</b> .....	<b>136</b>
Laboratory Supplies .....	138
<b>Media</b> .....	<b>144</b>
Stains .....	149
Dye Solubilities .....	151
Reagents .....	152
Supplementary Work and Animal Inoculation Sheets .....	155
