

# CONTENTS

	PAGE
<i>Preface</i> .....	v
I. Estimating.....	1
II. Power Presswork.....	13
III. Drawing Operations.....	20
IV. Determination of Drawing Operations.....	26
V. Drawing Pressures and Presses.....	32
VI. Visualizing Movements for Estimating.....	42
VII. Tool and Die Cost and Construction.....	50
VIII. Power-press Operations	
Estimating the Cost of a Brace.....	61
IX. Power-press Operations ( <i>Continued</i> )	
Estimating the Cost of a Control Plate.....	80
X. Power-press Operations ( <i>Continued</i> )	
Estimating the Cost of a Windshield-division Molding	91
XI. Power-press Operations ( <i>Continued</i> )	
Estimating the Cost of a Regulator Plate.....	105
XII. Power-press Operations ( <i>Continued</i> )	
Estimating the Cost of a Locking Clip.....	122
XIII. Power-press Operations ( <i>Continued</i> )	
Estimating the Cost of an Indicator Hand.....	131
XIV. Power-press Operations ( <i>Continued</i> )	
Estimating the Cost of a Locking-clip Guard.....	142

	PAGE
XV. <b>Machining</b> and <b>Assembling</b> Operations	
Estimating the Cost of a Roller Assembly.....	162
XVI. <b>Machining</b> and <b>Assembling</b> Operations ( <i>Continued</i> )	
Estimating the Cost of a Shaft.....	188
XVII. <b>Machining</b> and <b>Assembling</b> Operations ( <i>Continued</i> )	
Estimating the Cost of a Toggle Clip.....	213
XVIII. <b>Machining</b> and <b>Assembling</b> Operations ( <i>Continued</i> )	
Estimating the Cost of a Tie Rod.....	226
XM. <b>Machining</b> and <b>Assembling</b> Operations ( <i>Continued</i> )	
Estimating the Cost of an Inlet Valve Guide..	237
XX. <b>Machining</b> and <b>Assembling</b> Operations ( <i>Continued</i> )	
Estimating the Cost of a Throttle Body.....	252
XXI. <b>Machining</b> and <b>Assembling</b> Operations ( <i>Continued</i> )	
Estimating the Cost of a Camshaft Hub.....	269
XXII. <b>Machining</b> and <b>Assembling</b> Operations ( <i>Continued</i> )	
Estimating the Cost of a Distributor Base.....	288
<i>Index</i> .....	305
