|                                                                         | Page       |
|-------------------------------------------------------------------------|------------|
| <b>PREFACE</b>                                                          |            |
| <b>1. THE THEORY OF COMBUSTION</b>                                      | <b>17</b>  |
| <b>2. THE PRACTICE OF COMBUSTION</b>                                    | <b>41</b>  |
| <b>3. HEAT TRANSMISSION</b>                                             | <b>86</b>  |
| <b>4. STEAM</b>                                                         | <b>110</b> |
| <b>5. SHELL BOILERS</b>                                                 | <b>133</b> |
| <b>6. OTHER TYPES OF INDUSTRIAL BOILER</b>                              | <b>163</b> |
| <b>7. FURNACES AND MECHANICAL STOKERS</b>                               | <b>177</b> |
| <b>8. SHELL BOILER OPERATION</b>                                        | <b>198</b> |
| <b>9. WATER TUBE BOILERS, SUPERHEATERS, ECONOMISERS AND AIR HEATERS</b> | <b>235</b> |
| <b>10. WATER TUBE BOILER OPERATION</b>                                  | <b>305</b> |
| <b>11. COAL STORAGE AND HANDLING</b>                                    | <b>315</b> |
| <b>12. COAL AND COKE</b>                                                | <b>378</b> |
| <b>13. OIL FIRING</b>                                                   | <b>441</b> |
| <b>14. PULVERIZED FUEL FIRING</b>                                       | <b>495</b> |
| <b>15. GAS FIRING</b>                                                   | <b>529</b> |
| <b>16. BOILER CONTROL</b>                                               | <b>545</b> |
| <b>17. WATER</b>                                                        | <b>574</b> |
| <b>18. BOILER FEEDING</b>                                               | <b>620</b> |
| <b>19. REFRACTORY MATERIALS AND LAGGING</b>                             | <b>640</b> |
| <b>20. CHIMNEYS AND EMISSIONS</b>                                       | <b>667</b> |
| <b>21. FLUE GAS CLEANING</b>                                            | <b>696</b> |
| <b>22. BOILER MAINTENANCE AND CLEANING</b>                              | <b>709</b> |
| <b>23. MEASUREMENTS AND TESTS</b>                                       | <b>748</b> |
| <b>24. THE NIFES TEST CHARTS</b>                                        | <b>786</b> |
| <b>25. FINALE</b>                                                       | <b>793</b> |
| <b>INDEX</b>                                                            | <b>810</b> |
