

## C O N T E N T S

<u>SESSION I</u>	Page
Prologue - Admiral A.G. Spanides .....	V
Address - Minister of Industry Mr. Martis .....	1
Address - Admiral A.G. Spanides .....	2
Message - Prof. W.A. Nierenberg .....	4
Message - Brig. Gen. H. Walmsley .....	5
Address - The Rapporteur A.D. Hatzikakidis .....	6
<u>SESSION 2</u>	
* Flat, Tilted Solar Stills - Maria Telkes .....	14
* The Experimental Work on the Solar Stills in the University of Bari - G. Nebbia .....	19
Discussion .....	25
<u>SESSION 3</u>	
* The Inflated Plastic Stills - M. Telkes .....	28
The Problem of Obtaining Water from the Air - G. Nebbia .....	33
Discussion .....	44
Conservation of Fresh Water through the Cultivation of Algal Food Crops in Brackish Waters - C. Golueke .....	47
Discussion .....	56
* Solar Water Distillation in North India - M.L. Khanna .....	59
<u>SESSION 4</u>	
La Normalisation des Essais de Réception des Insolateurs Plats - M. Perrot et M. Touchais .....	74
<u>SESSION 5</u>	
Solar Energy as Substitute for Fuels - F. Daniels .....	88
Discussion .....	95
Practical Solar Cooking Ovens - M. Telkes and S. Andrassy .....	96
Technical and Economical Contribution on the Advisability of Solar Heating - E. Neeman .....	101
Sur l'Utilisation du Rayonnement Solaire pour la Constitution de la Source d'Eau Chaude dans le Procédé George CLAUDE-BOUCHEROT - P. Santorini .....	105
L'Utilisation de l'Energie Solaire pour la Production de l'Energie Electrique suivant la Méthode George CLAUDE-BOUCHEROT - P. Santorini .....	107
<u>SESSION 6</u>	
The Thin-Film Solar Water Heater - J. Yellott .....	112
Discussion .....	120
Solar Energy in High Temperature Research - T.S. Laszlo .....	124
Discussion .....	142
La Normalisation des Essais de Réception des Insolateurs Plats (seconde partie) - M. Perrot et M. Touchais .....	143

## SESSION 7

Methods of Assessing the Potentialities of Wind Power on Different Scales of Utilization - E.W. Golding .....	152
The Need for Simplicity in the Design of Windmills - L. Sterne	158
Considérations sur un Aspect Naturel de l'Aménagement de l'Energie du Vent - P. Santorini .....	161
Discussion .....	167

## SESSION 8

Lay-out Optimization of Wind-Power Plants - U. Hütter .....	173
Améliorations à l'Exploitation de l'Energie Eolienne ou de l'Energie des Fluides à Vitesse Variable - C.F. Crispis .....	182
The Solar Water Heater, A Practical Approach - R. Sobotka .....	192

## SESSION 9

The Combination of Local Energy Resources for Power Supplies - E.W. Golding .....	197
Discussion .....	201
Proposed Method of Wind Energy Computation - S. Papagianakis ..	204
The Aeolian Energy in Greece - S. Papagianakis .....	208
The Use of Solar Radiation in Japan - I. Oshida .....	215
Discussion .....	220

## SESSION 10

Focussing Collectors and Thermoelectric Units - F. Daniels ....	228
Characteristics of Cadmium Sulfide Photovoltaic Cells - D.Langer	234
Discussion .....	240
Solar Heating of Vegetable Oil - M.L. Khanna .....	241

## SESSION 11

☆ The Biological Conversion of Light Energy to the Chemical Energy of Methane - C.G. Golueke .....	251
Discussion .....	257

## SESSION 12

* Transmission and Absorption of Solar Radiation in Glass - J.Yellott	263
Discussion .....	280
Sur une Expérience de Conversion Electronique, utilisant une Lampe à Vapeur de Césium - M. Perrot .....	282
Le Problème du Refroidissement des Générateurs Thermoélectriques - M. Perrot et M. Touchais .....	284

## SESSION 13

Etude de la Radiation Solaire en Rapport à son Utilisation - P. Blanco	287
Direct and Total Solar Radiation in Athens - L. Carapiperis ...	303
Concentration of Palm and Sugarcane Juices with Solar Energy - M.L. Khanna .....	311
Les Possibilités d'Utilisation de l'Energie Solaire en Grèce - M. Touchais .....	316
Discussion .....	319
Mediterranean Co-operation on Solar Energy .....	325

## SESSION 14

Le Problème du Refroidissement des Générateurs Thermoélectriques dans les Zones Arides - M. Perrot et M. Touchais .....	327
Discussion .....	334
Use of Silicon Solar Cells as Pyrheliometers - J. Yellott, P. Kokoropoulos and Th. Fogle .....	338
Use of Solar Energy for Waste Water Reclamation - W. Oswald ..	346

## SESSION 15

Use of Solar Energy in Waste Disposal - W.J. Oswald .....	352
Possibilités de Cultures sans Sol dans la Région de Ouargla (Sahara) - G. Valdy .....	355
Discussion .....	367
Considérations Fondamentales sur une plus Intime Corrélation entre la Vitesse et la Puissance du Vent - P. Santorini .....	369

## SESSION 16

Production of Low Cost Animal Feed from Waste through Use of Solar Energy - W.J. Oswald .....	
L'Utilisation de l'Energie du Vent dans l'Uruguay et l'Argentine - E. Cambilargiu .....	384
* Development of Solar Water Heaters in India - M.L. Khanna ....	399
Trends in Athens Sunshine - Ph. Carapiperis .....	409
Discussion .....	413

## SESSION 17

The Controlled Production of Algal Food Crops in Sea Water - C.G. Golueke .....	
Conversion of Solar Energy to Electricity in a Biological System - W.J. Oswald .....	
Some Characteristic Points of the Wind Structure in Greece - L. Carapiperis .....	431
Critical Discussion on the Correlation of Frequency of Etesian Wind Systems with Solar Activity - C. Constantakopoulos .....	435
Le Séchage des Fruits - G. Valdy .....	449
Le Chauffage de l'Air en Vue du Séchage - M. Touchais .....	451
On Fruit Drying - Athan. Hatzikakidis .....	453
Some Results of the Measurements of Solar Energy at the National Observatory of Athens, Greece - G. Macris .....	
On the Condensation of Atmospheric Water Vapor in Artificial and Natural Springs - S. Papagianakis .....	462
Discussion .....	465

## SESSION 18

Practical and Economical Feasibility of Various Methods of Harvesting Unicellular Algae - C. Golueke .....	467
Report on the end of the Seminar Proceedings - A.D. Hatzikakidis	476
The NATO Report .....	480
Farewell Addresses by Representatives from Different Countries	480
The Last Speaker - Prof. C. Kawassiadis .....	486
Resolution .....	488
Participants .....	489
Author Index .....	491
