

Contents

Preface	xiii
Contributors	xv

PART 1 Deposit Control Additives

Chapter 1 Antioxidants	3
<i>Jun Dong and Cyril A. Migdal</i>	
Chapter 2 Zinc Dithiophosphates	51
<i>Randolf A. McDonald</i>	
Chapter 3 Ashless Phosphorus-Containing Lubricating Oil Additives	63
<i>W. David Phillips</i>	
Chapter 4 Detergents.....	123
<i>Syed Q. A. Rizvi</i>	
Chapter 5 Dispersants	143
<i>Syed Q. A. Rizvi</i>	

PART 2 Film-Forming Additives

Chapter 6 Selection and Application of Solid Lubricants as Friction Modifiers.....	173
<i>Gino Mariani</i>	
Chapter 7 Organic Friction Modifiers.....	195
<i>Dick Kenbeck and Thomas F. Bunemann</i>	

PART 3 Antiwear Additives and Extreme-Pressure Additives

Chapter 8 Ashless Antiwear and Extreme-Pressure Additives.....	213
<i>Liehpao Oscar Farng</i>	

- Chapter 9** Sulfur Carriers 251
Thomas Rossrucker and Achim Fessenbecker

PART 4 Viscosity Control Additives

- Chapter 10** Olefin Copolymer Viscosity Modifiers 283
Michael J. Covitch

- Chapter 11** Polymethacrylate Viscosity Modifiers and Pour Point Depressants 315
Bernard G. Kinker

- Chapter 12** Pour Point Depressants 339
Joan Souchik

PART 5 Miscellaneous Additives

- Chapter 13** Tackifiers and Antimisting Additives 357
Victor J. Levin, Robert J. Stepan, and Arkady I. Leonov

- Chapter 14** Seal Swell Additives 377
Ronald E. Zielinski and Christa M. A. Chilson

- Chapter 15** Antimicrobial Additives for Metalworking Lubricants 383
William R. Schwingel and Alan C. Eachus

- Chapter 16** Surfactants in Lubrication 399
Girma Biresaw

- Chapter 17** Corrosion Inhibitors and Rust Preventatives 421
Michael T. Costello

- Chapter 18** Additives for Bioderived and Biodegradable Lubricants 445
Mark Miller

PART 6 Applications

- Chapter 19** Additives for Crankcase Lubricant Applications 457
Ewa A. Bardasz and Gordon D. Lamb

Chapter 20 Additives for Industrial Lubricant Applications 493
Leslie R. Rudnick

Chapter 21 Formulation Components for Incidental Food-Contact Lubricants 511
Saurabh Lawate

Chapter 22 Lubricants for the Disk Drive Industry 523
Tom E. Karis

Chapter 23 Additives for Grease Applications 585
Robert Silverstein and Leslie R. Rudnick

PART 7 Trends

Chapter 24 Long-Term Trends in Industrial Lubricant Additives 609
Fay Linn Lee and John W. Harris

Chapter 25 Long-Term Additive Trends in Aerospace Applications 637
Carl E. Snyder, Lois J. Gschwender, and Shashi K. Sharma

Chapter 26 Eco Requirements for Lubricant Additives 647
Tassilo Haberer, Danielle Moore, and Matthias Lang

PART 8 Methods and Resources

Chapter 27 Testing Methods for Additive/Lubricant Performance 669
Leslie R. Rudnick

Chapter 28 Lubricant Industry-Related Terms and Acronyms 685
Leslie R. Rudnick

Chapter 29 Internet Resources for Additive/Lubricant Industry 707
Leslie R. Rudnick

Index 761
