Chapter 6	Improvement of Pesticide Handling	167
	Best Management Practices	167
	Novel Application Technologies	173
	Conservation Tillage	175
	Education of Users	179
Chapter 7	Developing “Environmentally Friendly” Pesticides	183
	Defining “Environmental Friendliness”	185
	Novel Formulations to Reduce Contamination Potential	188
	Optimization and Prediction of Pesticide Physical Properties	189
Appendix I	Properties and Water Quality Criteria for Selected Pesticides	195
Appendix II	Additional Information on Models	221
	PRZM / Rustic	221
	Exams	224
