

CONTENTS

Editor's Introduction

Preface

Introduction: Causes of the Present Air Pollution Problems

Chapter 1: Definition, Sources, and Types of Air Pollution

Definition of Air Pollution	3
Sources of Air Pollution	4
Major Types and Concentrations of Air Pollution	8
Summary	13

Chapter 2: Meteorological Aspects of Air Pollution

The Influence of Weather on Air Pollution	15
Solar Energy	16
Stability Conditions	17
Air Flow and Turbulence	19
Scavenging Processes	20
Application of Meteorology to Air Pollution	21
Summary	27

The Influence of Air Pollution on Weather and Climate 28

The Effect of Air Pollution on Local Weather
and Climate 28

The Effect of Air Pollution on Global Climate 33

Summary 39

Chapter 3: Health Aspects of Air Pollution

Air Pollution Episodes	43
Major Air Pollution Disasters	43
Worldwide Air Pollution Disasters	48
Lessons from Air Pollution Disasters	50
Summary	51

Recent Research of the Effects of Air Pollution on Health	51
Medical Research Methods	52
Major Pollutants Affecting Health	55
Major Diseases Related to Air Pollution	57
Summary	61
Chapter 4: Economic Aspects of Air Pollution	
Cost of Air Pollution Damages	64
The Cost of Cleaner Air	67
Governmental Cost Sharing in Air Pollution Control	73
Cost-Benefit Analysis of Air Pollution Control	75
Incentives for Air Pollution Control	80
Summary	81
Chapter 5: Technology and Air Pollution	
Radioactive Air Pollution	84
Basic Terminology	84
Natural Radioactive Air Pollution	86
Man-Made Radioactive Air Pollution	86
Effect of Radioactive Air Pollution on Man	97
Summary	99
Chapter 6: Measures of Air Pollution Control	
Air Pollution Legislation	102
Guiding Principles for Air Pollution Legislation	102
Historical Review of Air Pollution Legislation	103
The Clean Air Amendments of 1970	104
Legal Enforcement	113
Summary	115
Urban Planning and Air Pollution Control	116
Green Areas and Air Pollution Control	116
Urban Renewal and Air Pollution Control	119
Control of Industrial Pollution	125
Summary	129
Chapter 7: The Public and Air Pollution Control	
Information Programs	131
Public Awareness or Apathy	132
Action Programs	134
Summary	141
Epilogue: Atmospheric Pollution and our Future	143
