Foreword	vii
1. Historical Introduction : The Quest for Effective Aeration	1
2. Major Municipal Treatment Plants	5
A. Cleveland's Easterly Plant	5
B. Milwaukee's Wastewater Treatment Plants	12
C. Chicago's Major Water Reclamation Plants	18
3. Types of Aeration Devices	25
4. Air Supplies for Activated Sludge Aeration	31
5. Air Filtration for Diffused Aeration Systems	49
6. Head Systems for Diffused Aeration of Activated Sludge	59
7. Cost-Effectiveness Comparison of Aeration Sections	65
8. Operating and Design Data for Aeration Systems	89
Appendix A Typical Specifications for Ceramic Diffusers	107
Appendix B Cleaning of Porous Ceramic Diffusers	115
