

# **CONTENT**

|   | Page |
|---|------|
| Dedication  | iii  |
| Preface to Third Edition  | v    |
| Chapter 1 Sewage, Its Composition, Chemistry and Biology  | 1    |
| Chapter 2 Sewerage and Its Relation to public Health  | 19   |
| Chapter 3 Stream Pollution and Its Control  | 28   |
| Chapter 4 Sewage Disposal for Residences and Institutions                                       | 51   |
| Chapter 5 Sewer Design and Construction   | 63   |
| Chapter 6 Maintenance of Sanitary Sewers  | 92   |
| Chapter 7 Lift Stations and Sewage Pumps  | 111  |
| Chapter 8 Measurements of Waste Water Flow  | 150  |
| Chapter 9 Screens, Grit Chambers, Detritors, Grinders and Grease Traps                          | 170  |
| Chapter 10 Imhoff Tanks, Design and Operation   | 185  |
| Chapter 11 Primary Sedimentation Tanks  | 204  |
| Chapter 12 Trickling Filters  | 220  |
| Chapter 13 The Submerged Contact Aeration Process   | 252  |
| Chapter 14 The Activated Aludge Process   | 268  |
| Chapter 15 Oxidation Ponds  | 289  |
| Chapter 16 Other Methods of Treatment by Aeration   | 312  |
| Chapter 17 Sludge Thickening and Conditioning   | 321  |
| Chapter 18 Separate Sludge Digestion  | 345  |
| Chapter 19 Maintenance and Operation of Sludge Drying Beds                                      | 362  |
| Chapter 20 Sludge Disposal by Mechanical Processes  | 367  |
| Chapter 21 Chlorination of Sewage   | 393  |
| Chapter 22 Agricultural Utilization of Effluent   | 415  |
| Chapter 23 Industrial Re-Use of Sewage Plant Effluent   | 425  |
| Chapter 24 Sludge Utilization and Disposal  | 436  |
| Chapter 25 The Utilization of Sludge Digester Gases   | 444  |
| Chapter 26 Plant Maintenance  | 459  |
| Chapter 27 Nuisance Control, Odors, Insects, Frothing, and Other Nuisances                      | 476  |
| Chapter 28 Industrial Wastes  | 487  |
| Chapter 29 Radiation  | 549  |
| Chapter 30 Laboratory Control Tests   | 563  |
| Chapter 31 Mathematics Problems   | 594  |
| Chapter 32 Forming and Organizing Districts with Power to Construct and Operate Sanitary Sewers | 611  |
| Chapter 33 Financing New Systems  | 616  |
| Chapter 34 Sewerage Service Charge  | 628  |
| Chapter 35 Insurance for the Sewer Utility  | 652  |
| Chapter 36 The Responsibilities of Sewage Works Operators                                       | 668  |
| Chapter 37 Training of Sewage Plant Operators   | 689  |
| Chapter 38 Safety Practices and Occupational Hazards  | 695  |
| Appendix A Certification of Sewage Works Operators  | 709  |
| Appendix B Definitions of Terms Used in Sewerage and Sewage Treatment Practice                  | 718  |
| Appendix C Design Criteria for Sewerage Systems   | 731  |
| Appendix D Useful Information   | 756  |
| Appendix E Useful Publications  | 765  |
| Index   | 769  |
