Preface	vii
Acknowledgements	viii
Use and Limitations of the Report	1
Summary	
Sulfuric Acid Production	3
Emission From Sulfuric Acid Manufacture	3
Control of Emissions	4
Emission Guidelines	5
Growth of Sulfuric Acid Industry	7
Sulfuric Acid Manufacture	
Raw Materials	11
Chamber Process	11
Contact Process	16
Summary of Sampling and Analytical Techniques	
Sulfuric Acid Mist	41
Sulfur Dioxide and Sulfur Trioxide	41
Oxides of Nitrogen	42
Glossary of Terms	43
Appendices	
A Emission and Operating Data for Chamber and Contact Sulfuric Acid Plants	49
B Sampling and Analytical Techniques	59
C Methods of Determining Causes of Visible Plumes From Stacks of contact Sulfuric Acid Plants	99
D Sulfuric Acid Establishments in the United States	107
E Physical Data	117
References	125
Subject Index	127
