Part I	Introduction	1
Part II	Water Pollution Control for Small and Medium Industries	
	Treatment of Wastewater for Small to Medium Sized Bleaching and Dyeing Factories	3
	Industrial Wastewater Treatment in Japan	13
Part III	Air Pollution Control for Small and Medium Industries	
	Air Pollution control in the Metal and Metal Finishing Industry for Small and Medium Factories	27
	Design of Chimney and Ducting	33
	Environmental Impact Assessment (EIA) Studies for small and Medium Industries in the Field of Air Pollution Control	35
Part IV	Methods to Reduce Cost of Pollution Control	
	Reduction of Treatment Cost Through In-Plant Pollution Control	39
	Measures to Reduce the Costs of Air Pollution Control for Small and Medium Industries	43
	Evaluation of Alternative Environmental Control Projects	47
Part V	Future Trends in Industrial Pollution Control	
	Future Trends in Air Pollution Control for Small and Medium Industries	51
	Future Prospects in Water Pollution Control for Small and Medium Industries in Hong Kong	57
Part VI	Project Case Work	59
Part VII	Information on Site Visits	
	Information on the Communal Wastewater Treatment Plant for 3 Leather Dressers	91
	Information on the Wastewater Treatment Plant for a Can manufacturer	97
Appendix A	Programme of the Seminar on Air and Water Pollution Control for Small and Medium Industries	101
Appendix B	List of Participants	102
Appendix C	List of Resource Persons and Moderators	103
