

CONTENTS

Chapter 1. Materials for the Plastics Industry	1
Chapter 2. Decomposition, Combustion, and Propagation	29
Chapter 3. Fire Response Characteristics	57
Chapter 4. Flammability Tests	89
Chapter 5. Prevention, Inhibition, and Extinguishment	189
Chapter 6. Market Acceptance Criteria	231
Chapter 7. Flammability and Product Liability	299
Chapter 8. Flammability and Environmental Concerns	307
Chapter 9. Commercial Fire, Smoke, Smoke, and Smolder Retardant	315
Index	323
