Foreword	v
Preface	vii
To Guard the Health of Man and Animals	
Our goal	
Our Battle Against Animal diseases	1
Food Supplies and Animal Diseases	7
Economic Losses from Animal Diseases and Parasites	11
Infectious Diseases Common to Animals and Man	14
Parasites That Attack Animals and Man	21
Prevention and Treatment of Diseases	
Basic principles	
Causes of Diseases	29
How Diseases and parasites Are Spread	40
Genetics and Diseases	46
Protection Against Transmissible Diseases and Parasites	54
Feeding and management	60
Quarantining	62
Prevention and Treatment of Diseases	
Some methods	
Treatment of Disease	71
Special Principles of Parasite Control	75
Chemotherapeutic Agents, Internal Parasites	80
Chemotherapeutic Agents, External Parasites	85
Veterinary Biological Products	88
Antibiotics	94
The Sulfa Drugs	96
Disinfection	98
Diseases and Parasites Affecting	
Several species of animals	
Urinary Calculi	103
Tumors	105
Bloat in Ruminants	108
Chemical Poisoning	113
Poisonous Plants	118
Toxicity of Insecticides	131
Pesticide Residues in Animal Products	143
Liver Flukes of Cattle and Sheep	148
Tapeworms and Bladderworms	153
Ticks That Affect Domestic Animals and Poultry	157
Flies That Affect Livestock	166
Screwworms That Attack Livestock	172
Fleeceworms	175
Mosquitoes on Livestock and Man	177
Biting Gnats	181
Vesicular Stomatitis – V.S.	182
Foot-and-mouth Disease	186
Rabies	195
Brucellosis	202

Tuberculosis and Its Eradication	213
Paratuberculosis (Johne's Disease)	221
Vibriosis of Cattle	224
Leptospirosis	226
Anthrax	229
Malignant Edema	235
Tetanus	237
Listeriosis	239
Diseases and Parasites Affecting	
Cattle	
Milk Fever	243
Bovine Mastitis	245
Ketosis in Cattle	250
Shipping Fever	255
Grass Tetany and Wheat-Pasture Poisoning	260
Blackleg	263
Actinomycosis and Actinobacillosis	265
Anaplasmosis of Cattle	268
Hyperkeratosis	273
Trichomoniasis of the Reproductive Tract	277
Roundworm Parasites of the Digestive Tract of Cattle	284
Verminous Pneumonia of Cattle	290
Cattle Scabies	292
Verminous Dermatitis	298
Cattle Grubs	300
Cattle Lice	307
Cattle Tick Fever	310
Infectious Keratitis, or Pinkeye, in Cattle	313
Bovine Coccidiosis	314
Diseases of Calves	317
Miscellaneous Diseases of Cattle	327
Diseases and Parasites Affecting	
Swine	
Lung Parasites of Swine	335
Kidney Worms of Swine	338
The Large Intestinal Roundworm	340
The Intestinal Threadworm	343
Thorn-Headed Worm of Swine	344
The Hog Louse	345
Hog Mange	347
Atrophic Rhinitis in Swine	350
Hog Cholera	354
The Enteritis Complex	362
Swine Influenza	366
Vesicular Exanthema	369
Swine Erysipelas (Diamond Skin Disease)	373
Diseases of Baby Pigs	377
Miscellaneous Diseases of Swine	382
Diseases and Parasites Affecting	
Sheep and goats	
Coccidiosis of sheep and Goats	387
Roundworms of the Digestive Tract	389
Nodular Worms of Sheep and Goats	399
Lungworms in Sheep and Goats	401
Scabies in Sheep and Goats	403
Head Grubs of Sheep	407
Lice of Sheep and Goats	411
Sore Mouth in Sheep and goats	414

Scrapie in Sheep	416
Bluetongue of Sheep	418
Enterotoxemia of Sheep	422
Vibriosis of Sheep	425
Pregnancy Disease	427
White Muscle Disease in Lambs and Calves	429
Other Diseases of Sheep	431
Diseases and Parasites Affecting	
Poultry	
Coccidiosis of Chickens and Turkeys	437
Blackhead of Turkeys and Chickens	441
Hexamitiasis of Turkeys	444
Pullorum Disease of Chickens and Turkeys	446
Fowl Typhoid	451
Poultry and the Paratyphoids	453
Newcastle Disease	455
Ornithosis and Psittacosis	459
Blue Comb	463
Fowlpox	464
Avian Lymphomatosis	466
Turkey Erysipelas	474
Chronic Respiratory Disease in Chickens	476
Infectious Sinusitis in Turkeys	479
Infectious Bronchitis	480
Infectious Laryngotracheitis	483
Tapeworms of Chickens and Turkey	484
Roundworms	486
Poultry Lice	490
Mites on Poultry	493
Diseases of Ducks	496
Parasites affecting Ducks and Geese	500
Diseases and Parasites Affecting	
Dogs and cats	
Internal Parasites of dogs and Cats	503
External Parasites of Dogs and Cats	517
Infectious Diseases of Dogs and Cats	523
Miscellaneous Ailments of Cats and Dogs	528
Diseases and Parasites Affecting	
Horses and mules	
Equine Periodic Ophthalmia	531
Equine Influenza	534
Breeding Problems	536
Diseases of Foals	541
Equine Infectious Anemia	546
Equine Encephalomyelitis	550
Mange and Lice of Horses and Mules	555
Diseases and Parasites Affecting	
Fur-bearing animals	
Infectious Diseases of the Rabbit	559
Parasites of the Domestic Rabbit	563
Diseases and Parasites of Minks	567
Diseases and Parasites of Foxes	573
