1

INTRODUCTION

| | |
|--------------------------------------|---|
| Agricultural Chemicals | 2 |
| Fertilizers | 2 |
| Pesticides | 5 |
| Chemical Application Equipment | 7 |
| Non-Chemical Alternatives | 7 |

2

FERTILIZERS AND LIME

| | |
|-------------------------------------|----|
| Primary Nutrients | 14 |
| Secondary Nutrients | 20 |
| Micronutrients | 22 |
| Fertilizer Management | 26 |
| Fertilizer Forms | 26 |
| Fertilizer Application Rates | 29 |
| Fertilizer-Pesticide Mixtures | 31 |

3

WEED CONTROL

| | |
|---|----|
| Weeds in Agriculture | 34 |
| Survival Mechanisms of Common Weeds | 42 |
| Principles of Weed Control | 43 |
| Weed Control Methods | 44 |
| Biological Control | 46 |
| Chemical Control | 46 |
| Adjuvants | 51 |
| Selecting a Herbicide | 52 |
| Weed Control Program | 52 |

4

DISEASE CONTROL

| | |
|---|----|
| The Concept of Plant Disease | 56 |
| Diagnosis of Plant Diseases | 63 |
| General Approaches to Disease Control | 63 |
| Cultural and Biological Disease Control | 64 |
| Disease Resistance | 69 |
| Chemical Control | 70 |
| Control Planning for Potato Late Blight | 70 |

5

INSECT CONTROL

| | |
|------------------------------|----|
| Insects in Agriculture | 74 |
| Insect Control | 79 |
| Integrated Control | 86 |
| Insecticides | 87 |
| Insecticide Hazards | 91 |
| Labels | 92 |

6

FUMIGATION

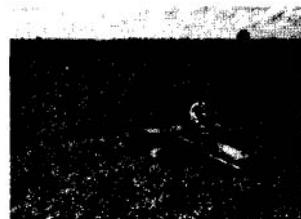

| | |
|--------------------------|----|
| Common Fumigants | 96 |
| Applying Fumigants | 98 |
| Cleaning Equipment | 98 |
| Safety | 98 |

7

APPLICATION OF LIQUID CHEMICALS

| | |
|-------------------------------------|-----|
| Types of Sprayers | 102 |
| Liquid Fertilizer Applicators | 110 |
| Selecting A Sprayer | 115 |
| Sprayer Operation | 128 |

8

APPLICATION OF DRY CHEMICALS

| | |
|------------------------------------|-----|
| Application of Dry Chemicals | 140 |
| Types and Sizes of Equipment | 140 |
| Selecting An Applicator | 146 |
| Applying Dry Chemicals | 147 |
| Field Operation | 151 |
| Transport | 151 |
| Storage | 152 |

9

SAFETY

| | |
|--|-----|
| Avoiding Accidents | 156 |
| Applying Dry Fertilizers | 158 |
| Anhydrous Ammonia | 158 |
| Liquid Fertilizers | 160 |
| Animal Manures | 161 |
| Pesticides | 162 |
| Dry Pesticides | 166 |
| Pesticide Applications Equipment | 167 |
| Pesticide Storage | 169 |
| Pesticide Disposal | 170 |
| Pesticide Poisoning | 172 |
| Poison Emergencies | 173 |

APPENDIX

| | |
|--------------------------|-----|
| Suggested Readings | 177 |
| Useful Information | 177 |
| Weeds | 186 |
| Insects | 195 |
| Diseases | 206 |
| Glossary | 217 |
| Index | 225 |
