Introduction to Conference	1
Dimensions of The Problem	2
Report of Study Committee Chemical Specialties Manufacturers Association	4
Report of Pesticide Industry National Agricultural Chemicals Association	12
Estimates of Container Numbers by Size, Type, and Formulation Involved	27
Farmer's Use of Pesticides and Pesticide Containers	39
Report of Connecticut State Program	54
Report of Florida State Program	59
Report of Massachusetts State Program	67
Report of Michigan State Program	71
Report of Wisconsin State Program	75
Summary of State Programs	78
Considerations Preliminary to Development of a Waste Pesticide Management System-Oregon	85
Recall and Disposal	89
Hazard Materials Regulations	94
Department of Defense Disposal Program	96
Air Pollution Problems of Pesticidal Disposal	99
Water Contamination Problems of Pesticide Disposal	102
Incineration of Solid Waste Research to Pesticide Disposal	103
Incineration of the Necessary Conditions for Proper Decontamination and Combustion of Organic Pesticides and Pesticide Containers	108
Application of Solid Waste Research to Pesticide Disposal	120
The Role of the Extension Service in the Disposal of Pesticides	124
Information and Education Programs	125
Federal Coordination of Pesticide Disposal Information	127
Suggestions of the Ten Study Groups	
I Community Disposal Including Collection and Temporary Storage	131
II Recycling	132
III Incineration	133
IV Alternate Uses	134
V Ground Disposal Including Individual User and Mass Disposal from Collections	135
VI Long Term Storage	136
VII Packaging and Contamination	138
VIII Industrial and Plant Disposal	139
IX Collection at Retail Stores and Individual Users	140
X Sanitary Landfill	141
