Preface	iii
Contributors to Volume 1, Part I	xi
Contents to Volume 1, Part II	xv
1. The Chemistry and Biology of Pesticides	1
1.1 Introduction	2
1.2 Fungicides	3
1.3 Herbicides	34
1.4 Insecticides	67
1.5 Molluscicides	124
1.6 Nematocides	125
1.7 Rodenticides	131
References	140
2. Metabolism of Insecticides and Fungicides	145
2.1 Introduction	146
2.2 Organophosphorus Insecticides	147
2.3 Carbamate Insecticides	188
2.4 Organochlorine Insecticides	200
2.5 Botanical Insecticides and Analogs	216
2.6 Phenol insecticides	220
2.7 Fungicides	222
References	227
3. Metabolism of Herbicides	237
3.1 Introduction	237
3.2 Principles and Problem of Transformation Studies	240
3.3 Methods and Techniques	243
3.4 Metabolic Reactions	248
3.5 Metabolism and Transformation of Herbicides	254
3.6 Conclusions	266
References	267
