|--|------|
| Foreword | 1 |
| The IRRI phytotron : science in the service of human welfare | 3 |
| The role of phytotrons in agricultural research | 11 |
| CLIMATIC ENVIRONMENT OF RICE CULTIVATION | |
| Geography and climate of rice | 31 |
| Climate and crop planning with particular reference to rainfall | 51 |
| ADAPTABILITY OF RICE VARIETIES TO CLIMATE | |
| Physiological and morphological adaptability of rice varieties to climate | 67 |
| Genetic information on the climatic adaptability of rice cultivars | 87 |
| PHYSICAL ENVIRONMENT OF THE RICE CROP | |
| Microclimate of the rice crop | 115 |
| Physics of controlled environment and plant growth | 141 |
| ENVIRONMENTAL CONTROL OF GROWTH AND YIELD | |
| Effects of temperature on the vegetative growth of rice plants | 159 |
| Effect of temperature and light on the reproductive growth and ripening of rice | 187 |
| Carbon dioxide and yield of rice | 211 |
| Climatic influence on photosynthesis and respiration of rice | 223 |
| Temperature and the chemical kinetics of flooded soils | 249 |
| Climatic influence on growth and nutrient uptake of rice roots, with special reference to the growth unit theory | 265 |
| CLIMATIC STRESS ON GROWTH AND YIELD | |
| Sterile-type cool injury in paddy rice plants | 281 |
| Deep water rice and its response to deep water stress | 301 |
| Physiology of water deficits in cereal grains | 321 |
| CLIMATIC EFFECTS ON INCIDENCE OF DISEASES AND INSECTS | |
| Experimental approach to insect-climate relationships | 347 |
| Climate and rice insects | 367 |
| Climatic effects on the incidence of plant diseases : the epidemiology of southern corn leaf blight | 393 |
| Some topics in a disease cycle of rice blast and climatic factors | 417 |
| CLIMATE AND CROP PRODUCTIVITY | |
| Comparisons of rice growth in different environments | 429 |
| Productivity of rice in different climatic regions of Japan | 449 |
| Climatic influence on yield and yield components of lowland rice in the tropics | 471 |
| Climate and crop productivity in Australia | 495 |
| Nitrogen response of lowland and upland rice in relation to tropical environmental conditions | 509 |
| Concluding remarks | 540 |
| List of participants | 543 |
| Index | 545 |
