Introductory Remarks	1
SESSION I – NUTRITIONAL DEFICIENCY PROBLEMS IN DEVELOPING AREAS OF THE WORLD	
World Aspects of Protein Malnutrition	5
Implementation of the WHO/FAO/UNICEF Protein-Rich Foods Program	15
Food for Peace : Plants and Objectives	21
SESSION II – WORLD MARKETING OF SOYBEANS AND SOYBEAN PRODUCTS	
Market Development on U.S. Soybeans and soybean products	29
Activities of the Foreign Agricultural Service in Developing Markets for U.S. Soybeans	38
SESSION III – RESEARCH AND DEVELOPMENT ON SOYBEAN FOODS	
Present and Potential Uses of Soybean Flour, Grits, and Protein Concentrate in Foods	45
Soy Flour and Soy Grits as Protein Supplements for Cereal Products	52
Research at Northern Regional Research Laboratory on Fermented Foods	74
Pilot-Plant Studies on Tempeh	83
Foreign Research Program of U.S. Department of Agriculture on Soybean Protein Products under Public Law 480	93
SESSION IV – NUTRITIONAL AND BIOLOGICAL STUDIES	
Theories on Improving the Nutritive Value of Soybean Meal	101
Protein Efficiency Studies on Soybean Meal and Its Fractions	110
Physiological Effects of Feeding Soybean Meal and Its Fractions	120
Nutritional Studies Relating to Development of Soy Containing Foods	127
Advances in Research on the Nutritional Value of Soybean Meal in Animal Feeds	134
Application of FAO Pattern I Appraisal of Protein Value	140
SESSION V – PROCESSING AND FEEDING VALUE OF FLUID AND DRY SOY MILKS	
Traditional Method of Processing and Use of Soy Liquid and Powdered Milk	149
Pilot-Plant Studies on Soy Milk	157
Problems in Formulation of Soy Milk	166
Nitrogen Balance Studies with Normal Infants Fed Soya Bean Protein	175
Feeding Value of Soy Milks for Premature Infants	179
Panel Discussion on Soy Milk	188
SESSION VI – PROBLEMS INVOLVED IN INCREASING WORLD-WIDE USE OF SOYBEAN PRODUCTS AS FOODS – PANEL DISCUSSION	
In the Near East and India	195
In Japan	200
In Europe	207
Possible Contribution of FAO	210
Technical Assistance in Developing Soybean Markets	214
SESSION VII – COMMITTEE ON QUALITY AND PROCESSING GUIDE FOR EDIBLE SOY FLOUR AND GRITS	
Report by Chairman	219
SESSION VIII – SUMMARY OF CONFERENCE	
Introduction to Summaries	225
Nutritional Deficiency Problem	226

Marketing and Promotion Problems	230
Research Implications and Problems	232
List of Attendance	235
