Foreword	i
INV/001-65	ii
INV/002-65	iii
China Productivity and Trade Center	1
Advanced Management Programme	8
Industrial Management Orientation Course	12
Industrial Executive Development Programme	16
Industrial Engineering Orientation course	20
Statistical Quality Control Training Course	24
Advanced Quality Control Training Course	28
Sampling Technique Training Course	33
Work Study Training Course	37
Preventive Maintenance Training Course	41
Inventory Control Training Course	44
Work Sampling Training Course	47
Production Planning and Control Training Course	50
Industrial Safety Training Course	55
Industrial Design Training Programme	62
Packing and Packaging Training Course	67
Management Accounting Training Course	71
Cost Accounting Training Course	74
Cost Analysis Training Course	78
International Trade Seminar	81
Sales promotion Seminar	85
Marketing Management Seminar	88
Colour Printing Training Programme – Long-term Training Class	92
Colour Printing Training Programme –Short-term Training Class	99
Ceramic Engineering Training Course	103
Fundamental Ceramic Training Course	108
Short Course on Fundamental Ceramics	113
Ceramic White Glaze Training Course	116
Ceramic Raw Material Testing Training course	119
Ying Ko Ceramic Training Course	123
Glazes Training Course	126
Metal Industries Development Center	129
Seminar on the Design and Use of Simulation in Management Education	130
Seminar for Electric Arc Furnace Operation	134
Seminar on Rolling Technique	137
Measurement Training Course	140
Seminar on Foundry Technique of Iron and Steel	143
Center for Public and Business Administration Education, National Chengchi University	146
Management Development Seminar	148
Training Officer Seminar	151
Management Appreciation Programme	154
Management Development Center, Department of Reconstruction, Taiwan provincial Government	157
Job Instruction Training	158
Job Relation Training	158
Job Method Training	158

Follow-up Training	158
Conference Leading Training	158
Programme Development Training	158
Employee Training Institute, Taiwan Railway Administration	161
Locomotive Inspection class	164
Railway Operation Class	164
Operation Technical Class	165
Road maintenance Class	167
Train Conductor and Ticket Inspector Class	167
Telegraphy Class	168
Train Conductor and Ticket Inspector Class	168
Boiler Class	169
Train Inspection Class	169
Safety class	170
Line Class	170
Electricians Class	170
Combustion Engine Technician Class	171
Station clerk Class	172
Driver Class	172
Combustion Engine Locomotive Driver Class	172
Diesel and Electric Train Drivers Class	173
Train Car Attendant Class	173
Auto Technician and Instructor Training Center	179
Auto Supervisors Class	181
Employee Training Center Taiwan Sugar Corporation	185
Orientation Training	186
Agricultural Training	189
Engineering Training	194
Railway Training	197
Middle Level Executive Training	200
Training Center, Taiwan Power company	203
Apprentice Training	205
In-Service Training	209
Supervisor Training	213
T.W.I. Programme	216
Orientation Training	219
Employee Training Center, Chinese Petroleum Corporation	222
Position Classification	223
Industrial Safety	223
Accounting	223
Management Development	223
Sales Management	223
Material Control	223
Equipment Inspection and Preventive Maintenance	223
Training of Foremen	223
Personnel management	223
Quality Control	223
Training Committee, Taiwan Machinery Manufacturing Corporation	233
Skilled Worker Second-Skill Training – Arc Welding	234
Skilled Worker Second-Skill Training – Cold Work	234
Taipei Institute of Technology	237
Workshop for Shop / Laboratory Teachers	238

College of Engineering, Tunghai University
Recent Advances in Engineering

241
242

Index of Courses
