Photo Essay : Thinking Skills	12
SECTION I PRODUCTION SYSTEMS	18
1. What Are Production System?	20
2. Production's Role in Our World	36
3. The Universal System Model	58
SECTION II RESOURCES FOR PRODUCTION	80
4. The Human Factor	82
5. Information	102
6. Materials	122
7. Tools and Machines	148
8. Energy	178
9. Capital	200
10. Time	216
SECTION III MANUFACTURING	246
11. Types of Manufacturing	248
12. Researching and Planning for Production	266
13. Manufacturing processes	284
14. Controlling Quality	306
15. Post-Manufacturing	322
16. Impacts of Manufacturing Systems	340
SECTION IV CONSTRUCTION	368
17. Types of Construction	370
18. Research and Planning for Construction	390
19. Construction Processes	410
20. Controlling Construction Systems	436
21. Post-Construction	450
22. Impacts of Construction Systems	468
SECTION V BUILDING THE FUTURE	494
23. Applications of Space Technology	496
24. What's Ahead	512
25. Your Future	534
Glossary	558
Index	575
