

CONTENTS

<b>CHAPTER</b> 6. Mass transfer	2
7. Mixing and chemical reactions	115
8. Mixing of high viscosity materials	169
9. Suspension of solids	225
10. Mixing of solids	263
11. Mechanical design of impeller – type liquid mixing equipment	288
12. Author index	325
13. Subject index	331
