

**660.284 24 KES**

**CONTENTS**

1. Introduction	1
2. Characterization	12
3. Dense membranes	55
4. Porous membranes	84
5. Porous phase inversion membranes	116
6. In situ formation	158
7. Ion- exchange membranes	181
8. Membrane function	227
9. Applications	271
10. Index	301
