<b>NIMC RESEARCH GROUPS</b>	
Chief Senior Researchers	8
Senior Researchers	8
Department of Physical Chemistry	9
Department of Molecular Engineering	10
Department of Analytical Chemistry	11
Department of Organic Chemistry	12
Department of Polymer Chemistry	13
Department of Polymer Physics	14
Department of Surface Chemistry	15
Department of Advanced Chemical Technology	16
Department of Organic Materials	17
Department of Inorganic Materials	18
Department of Polymer Engineering	19
Department of Composite Materials	20
Department of Chemical Systems	21
Special Department for COE Project	23
Environmental Reference Materials Laboratory	23
<b>ABSTRACTS</b>	
1. Theoretical & Computational	25
2. Physical Chemistry	35
3. Surface Science	51
4. Analytical Chemistry	56
5. Inorganic Chemistry	60
6. Organic Chemistry	61
7. Biochemistry	72
8. Photochemistry	76
9. Catalysis	81

10. Polymer Chemistry	89
11. Polymer Physics	98
12. Applied Physics	105
13. Membranes	110
14. Organic Materials	116
15. Inorganic Materials	130
16. Chemical Engineering	140
17. Energy & Engineering	144
18. General	149
FOREIGN SCHOLARS IN 1998	153
AWARD RECIPIENTS	158
