

CONTENTS

1. Plasticization of Sulfur	1
2. Texture of Sulfur Coatings on Urea	18
3. Sulfur-Coated Urea from a 1-Ton-Per-Hour Pilot Plant	33
4. Sulfur in Coatings and Structural Materials	55
5. Sulfur in Construction Materials	75
6. Sulfur in Asphalt Paving Mixes	85
7. Beneficial Use of Sulfur in Sulfur-Asphalt Pavements	102
8. Sulfur/Asphalt Binders for Road Construction	130
9. Civil Engineering Applications of Sulfur-Based Materials	154
10. Cold Region Testing of Sulfur Foam and Coatings	167
11. Polyphenylene Sulfide-A New Item of Commerce	174
12. Chemical Investigations of Lithium-Sulfur Cells	186
13. Metal Sulfide Electrodes for Secondary Lithium Batteries	203
14. Sodium-Sulfur Batteries	216
Index	231
