

CONTENTS

THE CHEMICAL INDUSTRY

General description	6
World chemical industry sales proceeds	8
Consumption	11
Trade	13
Investment	16
Manpower	18
Recent developments	20
Chemical companies	22
Appendix-Reference books	30

CHEMICALS FROM PETROLEUM

Historical development	34
Growth of production	36
Petroleum feedstocks and base chemicals	38
Organic end-products	45
Economic aspects	46
Oil companies' chemical interests	50

THE CHEMICAL BUSINESS OF SHELL COMPANIES

Historical development	54
Organization	55
Finance	61
Marketing, products and markets	63
Manufacturing	70
Research	79
Recent developments (up to mid 1974)	83
Appendix 1-Shell chemical joint ventures	87
Appendix 2-Shell chemical plants, capacities & processes	93
Appendix 3-Shell Chemicals – trade marks	111
Appendix 4-Shell publications and films on chemicals	117
