

CONTENTS

Chapter 1 – Processing Techniques of Sugar Cane into Brown or White Sugar	3
1.1 Traditional Small-Scale Sugar Processing Techniques	3
1.2 Modern Large-Scale Sugar Processing Techniques	8
1.3 Modern Small-Scale Sugar Processing Techniques	12
Chapter 2 – Technical and Socio-Economic Analysis of SSSP in Developing Countries	15
2.1 Project Proposals	15
2.2 Studies and Findings on SSSP by Consulting and Contracting Companies	19
2.3 Review of Case Studies on Sugar Technology	29
Chapter 3 – Utilization of SSSP Byproducts	33
3.1 Types and Composition of cane Sugar Industry Byproducts	33
3.2 Specific and Possible End Uses of Sugar Cane Residues Commensurate with the Small-Scale Sugar Industries	33
3.3 Integrated Systems	43
