

CONTENTS

Introduction: Glucose Syrups – Past, Present and Future	1
Chapter 1. Glucose Syrups the Raw Material	9
Chapter 2. The Enzymic Production of Glucose Syrups	65
Chapter 3. Production of Hydrogenated Glucose Syrups and Some Aspects of their Use	117
Chapter 4. Physico-chemical Properties of Glucose Syrups	137
Chapter 5. Physiological Aspects of Glucose Syrups and Related Carbohydrates	169
Chapter 6. Analysis and Characterisation of Glucose Syrups	197
Chapter 7. Uses of Glucose Syrups in the Food Industry	247
Index	265
