| | Page | |
|------|---|-----|
| I | History | 1 |
| | Natural Indigo and Tyrian Purple | 1 |
| | Development of Synthetic Vat Dyestuffs | 3 |
| | History of Application of Vat Dyes | 5 |
| | The Application of Vat Dyes to Fibers Other Than Cotton | 9 |
| II | Principles of Vat Dye Application | 11 |
| | Types and Forms of Vat Dyes in Commerce | 11 |
| | Chemistry of Application | 13 |
| | Stripping and Redyeing Faulty Vat Dyeings | 44 |
| | Fastness | 45 |
| | Print Discharges | 56 |
| | Change of Shade in Artificial Light | 56 |
| | Dichroic Dyes | 57 |
| III | Application to Cotton Raw Stock | 60 |
| | Equipment Used | 61 |
| | Methods of Color Application | 62 |
| | Typical Examples | 63 |
| IV | Application to Cotton Skeins | 66 |
| | Equipment and Methods | 66 |
| V | Application to Cotton Warps | 72 |
| | Short Chain Method | 73 |
| | Long Chain Warp Dyeing | 75 |
| | Continuous Pigment Padding Method | 78 |
| VI | Application to Cotton Packages | 80 |
| | The Package | 83 |
| | Package Dyeing Machines | 86 |
| | Chief Factors in Dyeing Packages with Vat Dyestuffs | 90 |
| | Dyeing Speed and Leveling Power of Vat Dyes | 93 |
| | Dyeing Methods | 96 |
| | Oxidation and Finishing | 100 |
| | Vat Dyeing on Beams | 102 |
| | Illustrative Dyehouse Procedures | 103 |
| VII | Application to Cotton Piece Goods | 108 |
| | History | 108 |
| | Jig Methods | 108 |
| | Padding Methods | 112 |
| | Continuous Methods | 116 |
| | Overhead Reel Method | 130 |
| | Vat Dyeing of Cotton Narrow Fabrics | 132 |
| VIII | Hosiery | 137 |
| | Application of colors to Cotton Hosiery | 137 |
| | Application of Colors to Mixed-fiber Hosiery | 143 |
| IX | Application of Fibers Other Than Cotton | 145 |

| | | |
|------|--|-----|
| | Vat Dyeing of Viscose Rayon | 145 |
| | Vat Dyeing of Cellulose Acetate | 157 |
| | Vat Dyeing of Nylon | 161 |
| | Vat Dyeing of Animal Fibers | 163 |
| X | General Principles of Printing | 172 |
| | Piece Goods | 172 |
| | Forms Other Than Piece Goods | 191 |
| XI | Printing | 193 |
| | Direct Printing with Vat Dyestuffs | 193 |
| | Discharge Printing with Vat Dyestuffs | 209 |
| | Gods Dyed After Printing | 213 |
| XII | Indigo | 220 |
| | History and Properties | 220 |
| | Various Indigo Vats and Their Preparation | 221 |
| | Dyeing of Cotton with Indigo | 225 |
| | Dyeing of Wool with Indigo | 231 |
| | Application of Indigo to Cotton Printing | 243 |
| | Indigo Derivatives | 249 |
| XIII | The Use of Vat Dyes as Pigments or in Non-Textile Applications | 251 |
| | Paper | 252 |
| | Rubber | 253 |
| | Plastics and Resins | 253 |
| | Fireworks | 254 |
| | Paints and Lacquers | 255 |
| | Resin-bonded Pigments | 255 |
| | Miscellaneous | 255 |
| XIV | Leucoesters of Vat Dyestuffs | 257 |
| | History and Chemistry | 257 |
| | Properties | 259 |
| | Application of Leucoesters | 263 |
| | Light Fastness of Leucoesters | 299 |
| | Relative Costs of Vat and Soluble Vat Dyeing | 301 |
| XV | Tabulation of Vat Dyestuffs | 303 |
| | Formulae and Properties | 305 |
| | Alphabetical Index | 407 |
| | Numerical Index | 419 |
| | Trade Names of American-made Vat Dyes | 422 |
| | Author Index | 437 |
| | Subject Index | 439 |
