

CONTENTS

	Page
1. Introduction	1
2. Coating Materials and Coating Systems	10
3. Structural Materials for High-Temperature Use	110
4. Methods for Applying Coatings	145
5. Testing and Evaluation of Coatings	189
6. Designing with Coatings	236
7. Mechanisms Operating in Coatings	263
8. Future Outlook	296
Subject Index	303
