	Page
1. Introduction	1
2. Background	3
3. Powder Coating Materials	5
3.1 Thermoplastic Powders	5
3.2 Thermosetting Powders	6
3.3 Newly Developed Powders	7
4. Powder Coating Equipment	11
4.1 Pretreatment	11
4.2 Powder Application	12
5. End Uses of Powder Coatings	17
6. Economic Advantages of Powder Coatings vs Liquid Coatings	23
6.1 Energy Savings	23
6.2 Labor Savings	23
6.3 Greater Operating Efficiency	24
6.4 Environmental Benefits	24
6.5 Cost Comparison : Powder vs Liquids	24
7. Conclusions	35
8. References	39
Appendix A – Survey Summary : Powder Coating Equipment Suppliers	41
Appendix B – Survey Summary : Powder Coating Manufacturers	53
Appendix C – Survey Summary : Powder Coating Users	71
