

CONTENTS

	Page
SURFACTANT FUNDAMENTALS	
1. Branched Versus Linear hydrocarbon Chains in Surfactants: Ellipsometric Evidence Of Anomalous Refractive Indices	1
2. Is Contact Angle Hysteresis Due to a Film Present Behind the Drop?	31
3. STM Molecular Imaging of Disordered Molecular Wires	55
4. Studies of Morphology and Phase Behavior of Monolayers	65
5. Thermodynamics of Adsorption of a Cationic Surfactant at Solid-Water Interfaces	83
MICELLES AND MICROEMULSIONS	
6. Pressure-Jump Studies on Micellar Relaxation Time and Its Effect on Various Technological Processes	105
7. Micellar Catalyzed Reactions in Mixed Solvent Systems	123
8. Silica Gels from Microemulsions	135
9. The State of Water and Surfactant in Surfactant-Based Lyotropic Liquid Crystals	147
10. Polymerization of Methyl Methacrylate and Styrene in Ternary Emulsions and Microemulsions	169
POLYMER-SURFACTANT INTRACTIONS	
11. Polymer-Surface Interactions: Effects of Ionic Strength, Polymer Charge & Binding Density on Surfactant/Polymer Aggregates	179
12. Polymer-Surfactant Complexation in Dilute Aqueous Solutions	193
ADSORPTION OF SURFACTANTS	
13. Adsorption of High and Low Molecular Weight Natural Surfactants at the Crude Water-Oil Interface and Their Influence on γ -pH and γ -Time Behavior	221
14. Studies o Asphaltenes and Related Petroleum Fractions at Interfaces	233
15. Influence of Surfactants on the Adhesion of Clay Particles to Metal Surfaces	249
16. Guidelines for the Formulation, Composition and Stirring to Attain Desired Emulsion Properties (Type, Droplet Size, Viscosity and Stability)	261
17. Double Emulsions Stabilized by Macromolecular Surfactants	297
BIOLOGICAL APPLICATIONS OF SURFACTANTS	
18. Interactions Between the Dispersed Globules of W/O/W Emulsions in the presence of Proteins and Saccharides	333
19. The Design and Evaluation of a Novel Submicron Amphotericin B Emulsion in Systemic Murine Cryptococcosis	345
20. Plant Protein Purification Using Cloud Point Extraction (CPE)	367
ENVIRONMENTAL ASPECTS	
21. Environmental Risk Assessment of Ethoxylated Non-ionic Surfactants	379
22. Toxic Spill Remediation of Chlorinated Hydrocarbons via Microemulsion Formation	393
Index	413
