

CONTENTS

1. General Information	1
2. FRP Part Design	19
3. FRP Mold Design	47
4. FRP Raw Materials	65
5. Formulation & compound Preparation	113
6. Molding Compound Process Equipment	147
7. Compression Molding Technology	179
8. Injection Molding Technology	205
9. FRP Painting	221
Annotated Bibliography	253
Index	369
